A. No. Only one ballot will be counted and if both are cast, the paper ballot will be disqualified.

Q. If I cast a ballot ahead of time, can I still vote at the meeting?

A. No.

Q. Can I wait and vote at the meeting?

A. Yes. You will have the option of casting a paper or electronic ballot at the meeting. If you are attending via Zoom, you may cast your ballot electronically.

Q. I want to be a write in candidate. How do I do that?

A. Using either the paper ballot or voting electronically, put your name in the space provided for write in candidates. You will be contacted by the property manager after the election to confirm your candidacy.

Q. What does abstain mean?

A. It means that you choose not to vote. If you abstain from voting, your ballot will still be accepted and counted toward the quorum requirement.

Q. What is a quorum?

A. A certain percentage of the membership is required to attend a meeting of the membership. As the association will be under Developer control until the adjournment of the meeting, a quorum will be achieved with the presence of their designated voting representative. Once turnover is complete, the quorum must be achieved by members attending in person or by issuing a proxy.

Q. I have already sent in a proxy. Can I still vote?

A. Yes. You may use the paper ballot or the electronic service.

Q. If I vote with the electronic service, or with the paper ballot, do I still need to submit a proxy form?

A. No. Your ballot, whether submitted electronically or by mail, will count towards a quorum.
