MODIFICATION REVIEW COMMITTEE

The Community Modification Review Committee (“MRC”) reviews all requests for modifications to homes and lots following the original lot improvements. The MRC encourages tasteful and aesthetically pleasing architectural design consistent with the existing structures and landscaping with the various Viera East Districts. The MRC tries to consider the impact of any improvement to the surrounding neighbors and property.

To complete an application, the homeowner must submit:

1. A completed application form.
2. A thorough description of the proposed modification
3. Property survey, drawing, pictures, site plan, etc. as applicable in the list below, depending on the project. (Please note that a contractor estimate or drawing on graph paper is NOT a property survey)

Applications are typically reviewed on the first Wednesday of every month and can be submitted in the following ways:

Email:
mrc@fairwaymgmt.com

Drop off/Mail:
Viera East MRC
1331 Bedford Dr. Ste 103
Melbourne, FL 32940

Fax:
321-777-4646

Below is a list of required documentation that the homeowner must provide with the completed application form. The list includes the most frequent modifications in order to help homeowners and the MRC ensure that all documentation is included for the review process, however it does not include every modification that requires approval. Please direct any questions or concerns to mrc@fairwaymgmt.com or 321-777-7575.

**** Applications that do not include the necessary documentation stated below will be tabled until all information is received, which could delay your approval ****
